

**And that's just the beginning.
Our Friends bring all kinds of skills,
interests, experiences, and ideas with
them. Have a talent we haven't thought
of? Tell us! We can't wait to see what
possibilities emerge as our Friends
community grows.**

AND YES, THERE ARE PERKS!

Besides getting a peek behind the curtain and the satisfaction of supporting one of our community's most treasured landmarks,

Friends can look forward to:

- Social gatherings
- Ticket & popcorn vouchers
- Behind-the-scenes experiences
- An annual Friends party
- And a few surprises along the way

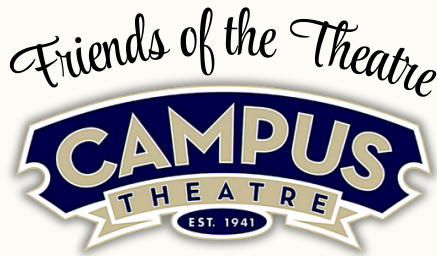

WHY IT MATTERS

Built in 1941, The Campus Theatre is one of the few remaining historic single-screen Art Deco movie theatres in the country. Places like the Campus are disappearing. Once they're gone, they're gone for good.

With a little help from our Friends, we can make sure the lights stay bright, the popcorn keeps popping, and the magic of going to the movies at the Campus continues for generations to come.
